

Technical Report of the Geospatial Information Authority of Japan Terms of Use

1. using the Technical Report of the Geospatial Information Authority of Japan

Information made available on the Technical Report of the Geospatial Information Authority of Japan (hereinafter referred to as “Technical Report”) may be freely used, copied, publicly transmitted, translated or otherwise modified on condition that the user complies with provisions 1) to 6) below. Commercial use of Technical Report this also permitted.

Note, however, that numerical data and data in Simple tables, graphs, and so forth are not subject to copyright. Accordingly the terms of use does not apply to such data, and said data may be used freely.

Use of the Technical Report constitutes agreement by the user with these terms of use for using the Content described herein (hereinafter referred to as “Terms of Use”).

1) Source citation

- a.**The user must cite the source when using the Technical Report. Sources should be cited in the following manner:

(Examples of source citation)

Source: Technical Report of the Geospatial Information Authority of Japan (Technical Report number, Technical Report's title)

- If you cite Urban Area Active Fault Maps, you must specify surveyor's name and material number of Technical Materials of the Geospatial Information Authority of Japan.
- When using Content in an academic paper or book, and so forth, you must give source citation in an appropriate manner set forth in the journal's rules.

- b.**If you have edited the Technical Report for use, you must include a statement expressing that the content has been edited, in addition to the abovementioned source citation, but not in any way that making public or using edited information in a format that may be misconstrued as having been created by the Government of Japan (or its ministries and/or agencies).

(Example of citation when using edited Technical Report)

- Created by editing GSI Tiles (elevation)
- Created by Company YY based on XX data

(Technical Report of the Geospatial Information Authority of Japan)

2) No infringement of third party rights

a.In some cases, a third party (refers to a party other than the state. Hereinafter referred to as “Third Party”) may hold copyrights or other rights to a part of the Technical Report For Technical Report where a Third Party holds copyrights or other rights (e.g. portrait rights in a photograph, publicity rights etc.), it is the responsibility of the user to obtain consent for use from the Third Party unless there is explicit indication that the rights have already been cleared.

b.If a Third Party holds rights to a part of the Technical Report, said fact may be directly or indirectly stated or indicated through source citations, but in some cases the part of the Technical Report of the Geospatial Information Authority of Japan to which the Third Party holds the rights may not be clear or may not be explicitly stated. It is the responsibility of the user to confirm the rights pertaining to use of the Content.

(Examples of the cases indicating or suggesting that Third Party holds rights)

c.The user must comply with the terms and conditions of the source provider for Technical Report obtained through API (Application Programming Interface) links to external databases etc.

d.Even if a Third Party holds copyrights to the Technical Report, some use of the Technical Report, such as quoting, may be allowed without the consent of the copyright holder, under the Copyright Act of Japan.

3) Technical Report where the Terms of Use does not apply

The Terms of Use herein does not apply to the following Technical Report.

a.Symbol mark, Logo, and Character Design which represent the organization or specific business.

b. Technical Report where other terms of use apply with rational and concrete reason.

(Please refer to Notes. Technical Report where other terms of use apply.)

4) Governing law and jurisdiction

a.The Terms of Use shall be governed by and construed in accordance with the laws of Japan.

b.In case of disputes relating to the use of the Technical Report based on the Terms of Use, or the Terms of Use, the user agrees that the exclusive court of first instance

shall be the district court with jurisdiction in the place where the organization that has published the disputed Technical Report or Terms of Use is located.

5) Disclaimer

a. The state bears absolutely no responsibility for any action taken by the user involving the use of the Technical Report (including use of information based on edited Technical Report).

b. The Technical Report may be modified, moved or deleted without prior notice.

6) Other

a. The Terms of Use does not limit those types of uses for which, under Copyright Act of Japan, license from the right holders are not required.

b. The Terms of Use was established on 25th January, 2016. The Terms of Use is based on the Government of Japan Standard Terms of Use (Version 2.0). The Terms of Use may be modified in the future. If you are already using Content under previous version of the Government of Japan Standard Terms of Use, these terms and conditions will continue to apply.

c. The Terms of Use are compatible with the Creative Commons Attribution License 4.0 (hereinafter referred to as the CC License). This means that Content based on the Terms of Use may be used under the CC License in lieu of the Terms of Use.

Disclaimer

Although GSI takes all possible care to ensure the correctness of information, no responsibility can be accepted for any actions carried out by users using the Technical Report.

Notes.
